**Subject:** EJ Forum: For your reminder and attention

The EJ Forum is next week (June 12 and 13) and the latest registration count is 118. Based on the latest registration update and confirmed collaborative presentations (with interactive discussion opportunities), we look forward to a great forum. Please let Gloria know who will represent your Division per Rhonda's request in her email last week (read Rhonda's email below). Also, take a moment to register your attendance (and/or your designee's attendance) for an accurate count that includes EPA members:

<https://www.eventbrite.com/e/epa-region-6-environmental-justice-forum-tickets-43477769178>

Thank your attention and assistance.

Arturo

**Subject:** Request for Program Representative at EJ Forum

Good afternoon,

As you know, the Region 6 EJ Forum is scheduled for June 12-13 at the Crowne Plaza in downtown Dallas. State and community representatives from each R6 state will give a presentation on

collaborative efforts made by R6 and its state, tribal and local partners working together with communities and/or regulated entities to solve environmental concerns.

Attached please find a draft of the agenda. Although no one from your office is scheduled to speak (with the exception of Superfund) at the forum, we would like someone from your office to be in attendance during the session that is pertinent to your program to answer questions specific to the program if they arise. As you can see by the attached draft agenda, the subject areas are, Tar Creek, asbestos, small water systems, air monitoring in EJ communities, lead pipe replacement, Corpus Christi Harbor Bridge Settlement, St. Rose and Hurricane Harvey.

Please let Gloria Vaughn (5-7535) know who will represent the programs or initiatives listed above by May 31. Thanks in advance for your help. We look forward to seeing you there.

Thanks

Rhonda Smith, Deputy Director  
OEJTIA - 214.665.8006
